COLLEGE AND UNIVERSITY BOOTHS

A feature at this year's State Solo & Ensemble Festivals is the presence of representatives of many Indiana College and University Schools of Music in the auditorium lobby area at North Central and in the student center at Northview Middle School.

PERCUSSION INFORMATION

PERCUSSION EQUIPMENT:

A set of four tympani will be provided in the tympani solo room and the percussion ensemble room. There will also be one marimba available in the solo room and one marimba available in the large ensemble room. Percussion equipment must use **Entrance 28** on the **west** side of the school for loading and unloading.

PERCUSSION WARM-UP/STAGING:

The South Gym is the percussion equipment storage and warm-up area. In the interest of noise control, ISSMA is providing practice pads that are to be used by snare drum, drum set, multi percussion, and multi tenor solos for warming up in this area. Playing in the gym area without practice pads is prohibited. Mallet solos, timpani, and percussion ensembles may also warm up briefly in this area.
Please limit all warm-up to the South Gym and for no more than 30 minutes prior to scheduled performance times.

Solos

All percussion solos (Event #'s 099, 100, 102, 103, 104, and 105) should check in with the ISSMA Officials at the table located **inside the South Gym** (Warm Up area) **at least 30 minutes** prior to their scheduled performance times. When checking in, soloists should be prepared to tell the officials their name, their event (snare drum, timpani, etc…), and time of performance. This is also where practice pads are signed in and out for warm up.

Ensembles (PLEASE NOTE CHECK-IN/STAGING PROCEDURES)

In an effort to alleviate congestion and overcrowding in the hallways outside of the Percussion Ensemble performance rooms, a check in/staging procedure has been instituted for all Percussion Ensembles (Event #'s 110, 111, 112, 113, and 115).

A representative from each participating ensemble (director, instructor, student member) must check in with the ISSMA Officials at the table located **outside the South Gym in the "L" Hallway** **at least 30 minutes** prior to their scheduled performance time. When checking in, the representative should be prepared to tell the officials the school name, event (Mallet Ensemble 3-6, etc…) and time of performance for their ensemble. Each ensemble will receive an entry card from the ISSMA Official that will allow their ensemble access to the performance hallway and rooms. **No ensemble will be admitted to these areas without this entry card.** After checking in, ensembles will be allowed to stage in the hallway area outside the South Gym **no sooner than 20 minutes** before their performance time. Ensembles will be released by the ISSMA Officials to proceed to their performance room **10 minutes** before their scheduled performance time.

Any ensemble not checking in by their assigned performance time will forfeit their spot in the schedule and must be worked in at the next available opening by the ISSMA Officials at the check in table. Any ensemble wishing to perform before their assigned time due to other performance conflicts must report to the check in table and present their request in writing from the director/instructor to the ISSMA Officials. The Officials will attempt to work that ensemble in at the first available opening.
