## SPECIFIC INFORMATION PERTAINING TO BRASS EVENTS

The following abbreviations specify instrumentation used in ensembles:

cor	= Cornet	mel	= Mellophone	bar	= Baritone
picc	= Piccolo Trpt.	alth	= Alto Horn	euph	= Euphonium

**NOTE:** EVENT NO. 053, Mellophone/Alto Horn Solos has its own independent list. Selections that are specified for Alto Horn **only** are indicated as such on the list.

**NOTE:** EVENT NO. 055, Bass Trombone Solos, and EVENT NO. 056, Euphonium or Baritone Solos, have their own independent lists that have been expanded to include selections from other required lists. Students entering either of these events **must** play a selection from the indicated list.

### **JUDGE'S SCORES:**

Each soloist shall supply the judge with one original score or part, with all performed measures numbered. For instrumental solos, either the original instrument part or the piano score that includes the instrument solo line are acceptable.

Each ensemble shall supply the judge with a complete original condensed or full score with all performed measures numbered. A self-produced score (handwritten or electronically produced) must be provided when no published score is available. Individual parts will not be accepted. For instrumental ensembles with piano accompaniment, the piano score containing ALL ensemble parts is acceptable.

Time limitations must be followed as outlined in the Music Festivals Manual under Solo and Ensemble: Time Limits and Cuts. Group I Solos and Ensembles shall have a maximum "actual" performance time of 5 minutes. Selected movement requirements or standardized suitable cuts are listed for many, lengthier selections on the lists. Suitable cuts shall be made by the students or teachers if cuts are not already indicated and the piece exceeds the event time limit. However, the total performance **must** demonstrate the demands of the composition.

Any changes/additions of ornaments, embellishments, or articulations different from the published version of the selection should be **clearly** notated on the judge's copy of the score.

## **REVISION COMMITTEE**

The Indiana State School Music Association gratefully acknowledges the professional efforts of the Brass Manual Revision Committee and all the contributors who offered suggestions for this publication. The committee devoted many hours to develop the material included. This publication contains the required music selections for all Group I Brass Solo & Ensemble events.
